# STIPPLING

Stippling is the the art or process of drawing, painting,
or engraving using numerous small dots or specks.

1 *Create a value scale using stippling.* *Place dots close together to create dark values and farther apart to create light values.*

DARK ⟶ **LIGHT**

2 *Use the <u>light</u> guideline to recreate the sphere and domino in the boxes to the right.*

3 *Use the <u>light</u> guidelines to create a cylinder with stippling.*

Use the ☀ *as the light source.*

4 *Lightly draw a 3D form of your choice.* *Add a light source and fill with stippling.*

REMEMBER: Use stippling to create a contour line and refer to your value scale to create dark and light values.
